CAREER PROFILE

I am a penultimate Bachelor of Commerce and Bachelor of Information Systems Student at UNSW (Majors: Finance, Accounting and Information Systems). I offer:

- Real world application of problem solving and creative thinking through participation in Case Competitions throughout university, including the opportunity to represent UNSW in 2 international competitions.
- Professional exposure to business industry and development of professionalism and competence through internships at Ernst and Young (EY), Deloitte and Westpac Group.
- Awarded category winner of the AFR Top 100 Future Leaders Competition through the portrayal of independence and leadership developed through director positions in 2 large UNSW societies.

EDUCATION

B Commerce (Accounting and Finance) / B Information Systems

February 2018 – Present

University of New South Wales

- Distinction Weighted Average Mark.
- Winner of Australian Financial Review Top 100 Future Leaders Competition.
- Recipient of Chartered Accountants Accounting Award.

PROFESSIONAL EMPLOYMENT

Investment Services Associate

February 2020 – April 2020

Westpac Group

- Managed investment orders of high net worth clients, ensuring that they meet wholesale criteria before sending orders through to investment banks for purchase.
- Utilised VBA to assist in automating the reinvestment cut-off data base into a calendar format, saving associates approximately 5 minutes every time an investment order was processed using raw data base.

Summer Assurance Vacationer

January 2020 – February 2020

Deloitte

- Completed substantive and detail testing procedures for a multinational broadcasting company (Net \$2.5B) and a multinational Agribusiness company (Net \$3.8B) including sales revenue and cost of sales testing.
- Worked on existence and completeness testing on inventory and utilised problem solving and client communication in order to learn about simulated price listings totalling an error of \$60m previously unknown.

Winter Assurance Vacationer

July 2019 – August 2019

Ernst & Young (EY)

- Adopted professionalism and competence in client's environment, applying communication skills in order to resolve proof of delivery (POD) and bank statement issues regarding inconsistent documentation worth \$2M.
- Completed substantive and detail testing procedures for a multinational industrial company (Net \$2B) including product revenue, service revenue and cost of sales testing.
- Accurately documented execution on internal control procedures, reporting to assurance team with 3 key potential internal control issues worth \$400k recognised.

OTHER EMPLOYMENT

Sales Associate

November 2017 – July 2019

Kmart Australia

- Managed inventory of overstock items and demonstrated quantitative skills by accurately recording data entries daily into stock-system using portable data terminal (PDT).
- Trained and supervised 5 new casual members to merchandise and manage stock inventory, increasing productivity and efficiency by 200%.
- Responsible for replenishing and merchandising stock in store as well as providing customer service by leveraging knowledge of hundreds of brands to meet consumer needs.

EXTRACURRICULAR ACTIVITIES/INVOLVEMENT

Publications Director

November 2019 – Present

UNSW Actuarial Society

- Led a team of 7 who are all responsible for designing sponsored magazines, marketing content and overall external image of the constituent society.
- Took initiative in organising weekly meetings, strategizing priorities and delegations as well as managing time effectively to ensure that tasks are completed on time and done at a high standard.

Marketing Director

November 2019 – Present

UNSW Business One Consulting

- Led a team of 6 with a co-director who are all responsible for formulating Marketing strategies for Business One events, through digital and traditional platforms as well as the creation of marketing content for use.
- Took initiative in organising weekly meetings and strategizing marketing schedules for Facebook posts to be made by the team to ensure the most efficient marketing exposure of prioritised events.
